

XSCALE Alliance certifies that on 22 July 2018

Anjali Talekar

completed all requirements necessary
to become a
Practitioner
of
Exponential Business Agility

XSCALE Alliance is a global ecosystem promoting the principles of Agile Organization. Exponential Business Agility is a practice pattern language that empowers self-directing portfolios of self-managing streams of self-organizing teams. XBA de-scales power hierarchies and breaks through market bottlenecks in order to accelerate the flow of learning and embrace, generate and leverage disruptive change.
