

XSCALE Alliance certifies that on 24 November 2017

Pascal Willi

completed all requirements necessary
to become a

Practitioner
of
Exponential Product Management

XSCALE Alliance is a global ecosystem promoting the principles of Agile Organization. Exponential Product Management is a practice pattern language enabling right-sized teams composed of business, design and technical authorities to continuously adapt to changing market dynamics, system constraints and business drivers, optimizing throughput and ROI in maximum impact product backlogs.
